Beware of Ointment's for Catarrh That Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous services. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by E. J. Clendenen & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure, be sure the name is prominent on the wrapper.

BIG CIRCUS COMING

Ringling Brothers Announce an Early Visit to Hopkinsville.

The world's greatest circus—and that means Ringling Brothers—is announced for an early visit to Hopkinsville, the date being Thursday, October 1st.

This is gratifying news to the lovers of amusement and especially so since the Ringling Brothers have this season added so much that is novel and great to their already splendid enterprise.

A new and different parade, an increased animal exhibit, another elaborate spectacle to introduce the main program, a company of European artists touring America for the first time and the most devilish, audacious and dangerous thriller ever conceived are some of the inducements held out to patrons. This thriller is a double somersault through space made in an automobile by Mlle. La Belle Roche, a young French girl scarcely out of her teens. It has been said of the Ringling Brothers that their show even exceeds in strength and attractiveness the claims they make for it, it being their policy to underestimate rather than exaggerate. Where the performance has been given this season the news comes that it has far surpassed all its past brilliant achievements, so it is certain that an unusual treat is in store.

All the world contributes to this circus. Its universal character is indicated by the many nations represented among the performers. Even the Shah of Persia has contributed to the novelty of the bill by releasing from his court entertainers the wonderful Mirza Golem family of acrobats that they might make a tour of America under the Ringling banner. The Mikado of Japan, too, has permitted his Imperial troupe of equilibrists to join the same ranks.

Other countries represented are England, New Zealand, Australia, Germany, France, Russia, Italy, Spain, Siam, Portugal, Belgium, Turkey, Mexico, Holland, Denmark and Switzerland. Of the 375 performers scarcely a third are from America. The various acts have been selected with the aim in mind of giving wide variety and in every case novelty to the program.

The circus this season numbers 1,230 men, women and children, 650 horses, 20 camels, 40 elephants, 12 acres of tents, 40 cages of animals and 85 65-foot railroad cars. The main tent is the largest ever built. In the vast arena are three rings, two stages, a quarter-mile race course and a spacious dome on and in which the various acts are given.

A boy in this city 14 years old, suspected by the police, is still missing. He was last seen at 1 o'clock Monday. His previous record at once caused him to be suspected. Mr. Jones has offered a reward of \$30 for his property.

PLENTY

Of Cool Water at Tennessee State Fair.

Work is progressing in the State Fair ground at Nashville, where improvements are being made that will almost transform the appearance of the park by the day the State Fair opens, September 21.

Workmen are now busy putting in twenty-four concrete drinking fountains, the water for which will be cooled by passing a coil of pipes through a big spring. Plenty of cups will be provided at these drinking places, and there will be no trouble about thousands of visitors to the Fair being able to get all the cool water they want.

Cobb-Jameson.

Miss Oma Jameson, of Pembroke, and Wm. Cobb, of this city, eloped to Clarksville Sept. 3, and were married. The groom is a cigar maker.

Kellogg-Armistead.

Miss Minnie Armistead, recently of this city, and Mr. R. W. Kellogg, a young traveling man, will be married at Montgomery, Ala., next Tuesday.
